INDUSTRIAL CUSTOM PUMPER

SPECIFICATIONS

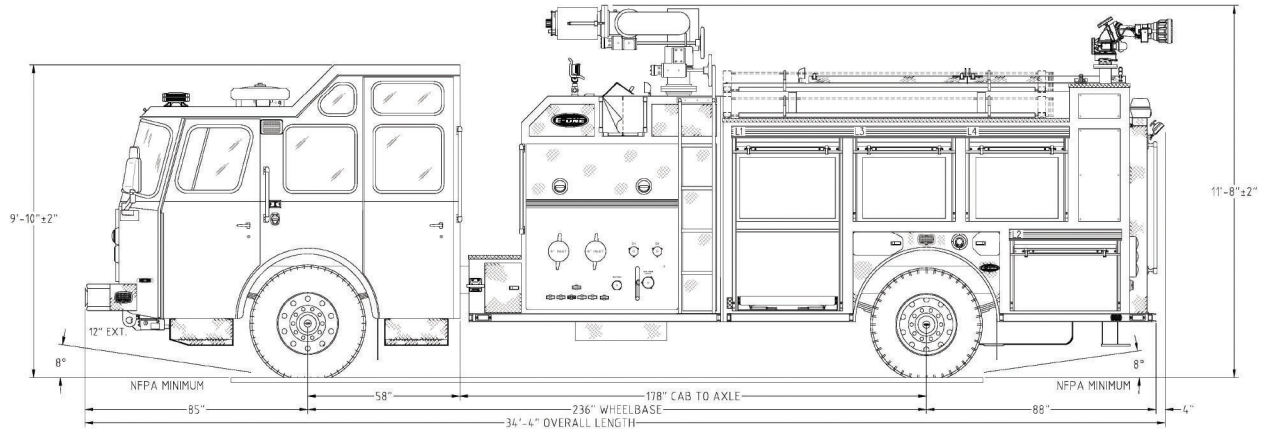

VERSATILE. DURABLE.

From pumpers to aerials, for more than 20 years E-ONE® has engineered and manufactured custom industrial apparatus to meet the rigorous demands of the industrial market. With a wide assortment of foam and chemical systems, dual and single deck guns, our industrial custom pumpers are the most versatile, durable pumpers on the market. Offering both extruded aluminum and stainless steel bodies, foam tanks up to 3000 gallons, and available on one of the industry's strongest custom chassis, E-ONE industrial pumpers will meet unique needs while exceeding expectations.

And at E-ONE, safety is never secondary. Which is why our roll cage cab, CrewGuard and ABS are standard with available options such as airbags and G4 electronic stability control.
